

NETOREL

.....
 Perfumed, concentrated, neutral detergent for manual cleaning

→ DESCRIPTION

Netorel is a concentrated, neutral, liquid, medium-foaming detergent, suitable for all manual cleaning treatments typically found in the food industry.

Netorel is able to easily remove grease, protein and fat residues from the treated surfaces, manually or by immersion.

Netorel can be used on all types of washable surfaces, including plastics and light alloys.

→ TECHNICAL CHARACTERISTICS

Physical appearance: viscous yellow liquid

pH (100%): $8,5 \pm 0,5$

pH (sol. 3%): $7,5 \pm 0,5$

Relative density at 20°C: $1,025 \pm 0,075$

Perfume: lemon

The above indicated chemical-physical data represent the typical product's characteristics drawn from the analysis carried out on the product. These values are not a specification.

→ INSTRUCTIONS FOR USE*

Use **Netorel** at concentrations variable between 1% and 3%, depending on the kind and degree of contamination present. In the presence of fatty organic dirty substances, temperatures around 40°C are recommended. Carry out a rinsing.

→ FIELDS OF APPLICATION

Manual detergency with brushes, cloths, nebulizers or by immersion of surfaces and equipment.

→ COMPATIBILITY OF THE FORMULATION

Netorel is compatible with most material normally present in food industries, if used according to the producer's indications. It can be used on aluminium, galvanized iron, copper and epoxy resins. In case of doubt, carry out a test on the single material before using the product.

NETOREL

→ PRECAUTIONS FOR HANDLING AND STORAGE

Store in the original containers and avoid extreme temperatures. Consult the Material Safety Data Sheet.

→ TITRATION METHOD

Not applicable.

→ PACKAGING

25 kg net drums.

1000 kg net IBC-containers.

*The indications have been established for general use conditions. For conditions differing from the norm, for example depending on the particular water hardness, the working method or cleaning problems, please consult us; our technical service will be pleased to advise you and to cooperate with you.
