Allergens*	Statement	Not applicable (cleaner, subject to rinse)	

Range

u.m.

*Detergency product subject to rinsing, the food allergens regulation is not applicable

The specification parameters are stated per lot or sample, considering the analytical data and the literature of the materials used, as part of the control system in place to maintain compliance with defined intervals.

The above data represent the result of our quality assessment. All values come up to the average of every lot.

They do not free the purchaser from his own quality check nor do they confirm that the product has certain properties or is suitable for a specific application.
