In accordance with Regulation (EU) No. 1169/2011 – Annex II, we hereby also declare that the products supplied by AEB S.p.A.:

- contain only the substances listed in the safety data sheet and/or declared on the label (for packaged products);
- do NOT contain the following allergens, which are also NOT present within the Brescia production facility:
 - Cereals containing gluten and products thereof
 - Crustaceans and products thereof
 - Peanuts and products thereof
 - Soybeans and products thereof
 - Nuts and products thereof
 - Celery and products thereof
 - Sesame seeds and products thereof
 - Lupin and products thereof
 - Molluscs and products thereof

We declare that all products are inspected by the Quality Control Department of AEB S.p.A. using sampling and monitoring procedures provided by the Company's Quality Management System, compliant with UNI EN ISO 9001:2015. Production and packaging activities are carried out according to HACCP standards to ensure the absence of cross-contamination.

Brescia, 06/30/2025

Paolo Machiavelli
Technical Director
